## Downsizing With Space Saver Flanges Is The Answer To Costly Meter Replacement

Our patented Space Saver Flange (UL FM Approved) revolutionizes the process of replacing a larger meter with a smaller meter. The Space Saver dramatically reduces the amount of space and piping needed to downsize. You save work, time and money.

### Materials:

- Flange: Cast iron
- Studs: 1040 Steel
- Gasket: Red rubber

The Space Saver Flange is available in thirty-one standard sizes and, upon request, can be manufactured in any special size up to 24".
