Tee Head Curb Stops With Stop & Drain

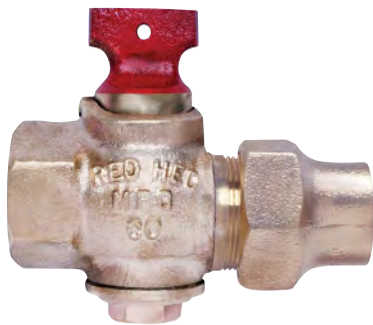

Red Hed Tee Head Curb Stops With Stop And Drain Are Available In Several Styles

These curb stops are precision machined to assure a perfect match between the tapered plug and body. The Red Hed Tee Head Curb Stops feature extremely heavy castings and solid tapered plugs, except for the full-open waterways. They are extremely durable and capable of withstanding the rigors of installation.

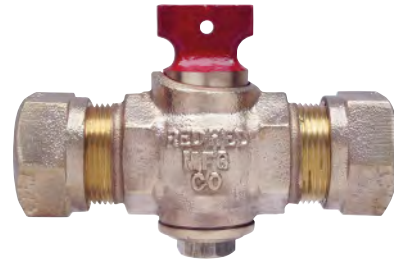

During the manufacturing process, the valves are repeatedly inspected and hydrostatically tested to 300 psi.

DESCRIPTION	DIR. OPEN	SIZE	PRODUCT NUMBER
FIP X FIP (2220/2230)	OL	¾"	RH22201
	OL	1"	RH22202
	OR	¾"	RH22301
	OR	1"	RH22302

DESCRIPTION	DIR. OPEN	SIZE	PRODUCT NUMBER
